

Product Discontinuance Notice - PDN 21_0115 Rev. -

Analog Devices, Inc. One Analog Way, Wilmington, MA 01887

This notice is to inform you of a product discontinuance for certain ADI products (see Discontinued Parts Material List below). Any issues with this PDN must be sent to ADI as soon as possible. The information contained within this PDN is considered proprietary and should not be shared outside of your company. ADI contact information is listed below.

PDN Title:

Discontinuance of LT6274 and LT6275

Publication Date: 28-Jul-2021

Last Time Buy Date: 30-Jul-2021

Last Time Ship Date: 31-Jul-2021

Revision Description:

Initial Release

Reason For Discontinuance

We have a catastrophic failure in fab and all the LT6274/LT6275 lots are scrapped. These generics were manufactured in Hillview. The Hillview Fab is now shut down and will not reopen. The LT6274/LT6275 is on a unique fab process and has no future home at another fab site in the near future. The bridge lots ordered, does not cover future demand. We had planned for a 2 year supply of material but this is not possible now. Contact Carlos Sanchez for further information.

Comments

Replacement part numbers can be found in the attached spreadsheet.
