Subject: Product End of Life (EoL) Notice

Dear Telit Partner,

Telit would like to announce end of life (EOL) of the GPS SiP module Jupiter SE880 due to the closure of the production line in SEMCO.

The EOL concerns the following family and P/Ns and the replacement P/Ns are listed below:

	Packaging	EOL Telit P/N (MT3337)
SE880	T&R (4000)	SE880GPSR22R002
	T&R (500)	SE880GPSR22R003
EVK	box	3990150511
DRK	box	4990150167

There is not a replacement module for SE880 form factor.

Telit will follow the schedule reported below during this End-of-Life procedure:

- **Build To Order term:** NA. production line closed.
- **Last Buy Order term:** until stock depletion (please check with Telit customer service)
Orders will only be confirmed till this date. Later orders for the affected products might be accepted upon availability on the product parts
- **Last Shipment term: December 2017 or until stock depletion**
Last shipping date that can be requested for scheduled orders, which were placed before Last Buy Order Term

For any technical question about this topic, please contact Telit Technical Support. For any additional information regarding this notice, please contact your Regional Sales Director.

Best regards,

Marco Contento
Head of Product Management
